

Instagram hashtags for Sunshine Coast hospitality businesses

Cafes, restaurants, bars

www.angelmarketing.com.au

How to use hashtags on Instagram

Instagram hashtags help your profile and posts be discovered.

You should use them at the end of your post, or in the first comment after your post.

If you specialise in a certain food or niche segment, add some of those related hashtags too!

To use the hashtags from this file, just copy and paste them into your notes on your phone so you can easily copy and paste them everytime you post.

Cafes

General hashtags

#cafe #coffee #caffiene #coffeetime
#brunch #visitsunshinecoast
#discoversunshinecoast #foodie
#sunshinecoasteats #urbanlistsc

Small business hashtags (if relevant)

#familybusiness #localbusiness
#smallbusiness

Location based hashtags

#sunshinecoast #noosa #coolum
#maroochydore #mooloolaba #kawana
#caloundra #buderim

Also include a hashtag of the coffee brand you use.

Restaurants

General hashtags

#dinnertime #restaurant
#visitsunshinecoast
#discoversunshinecoast #foodie #yum
